A single player has no standing on the course and shall give way to a match of any kind.

If a match fails to keep its place on the course and loses one clear hole on the players in front, it must call through the match following.

## **ALL MAJOR PRIZES**

For members of the Men's Club to be eligible to win Captains' Prize, Vice-Captains' Prize, or any other major prizes, a player must be a member for more than one year and have played FIVE 18 hole single competitions in Roganstown, one of which must be a Medal competition and have returned signed cards for these. They are, however, eligible to win any other prize on the day. For members of the Ladies Club to be eligible to win Captains' Prize, Vice-Captains' Prize, or any other major prizes, a player must be a member for more than one year and have played THREE 18 hole single competitions in Roganstown and have returned signed cards for these. They are, however, eligible to win any other prize on the day.

## **MATCHPLAY**

Singles- Full difference of handicaps

Doubles- Lowman goes to scratch and each of the other three players are allowed three quarters of the difference in handicap compared to the lowman.

Players on top of the draw are responsible for arranging matches and should contact their opponent within the FIRST TEN DAYS of the month.

The winner is responsible for recording the result and if no result is entered on the draw sheet by the due date both players shall be deemed to have scratched.

If a competitor's handicap is reduced during the course of the competition the new handicap shall apply immediately..

## **THE COMPUTER**

It is essential that all players enter their scores on the computer when playing in an 18 hole singles competition.

All cards **MUST** be returned regardless of score.

## **CLOTHING**

The following clothing types are prohibited on course: denims; football jerseys; tracksuits; singlets; string tops or similar attire.

## **COMPETITIONS**

For a competition to be valid and prizes awarded, a minimum of 10 players must have participated.

## **ETIQUETTE**

Slow play will ruin play for those behind the offender.

A players position on the course is behind those ahead of him/her.

Members should politely bring a players attention to his/her tardiness.

Players who are methodical in address and set up should make up time between shots.

## **CARE OF COURSE**

**Players should remember that the enjoyment of others can be affected when they;**

- Fail to repair pitch marks, theirs and others
